

Siemens Mobility, Inc. – DBE Goal Notice

In accordance with the regulations of the U.S. Department of Transportation, 49 CFR Part 26, Siemens Mobility, Inc. Rolling Stock, hereby proposes an overall goal of 5.83 percent for Disadvantaged Business Enterprise (DBE) participation in contracting opportunities during Fiscal Year 2022 (October 2021 – September 2022).

The contact information for our DBE Liaison Officer is:

Ms. Michelle Picard
Siemens Mobility, Inc.
7464 French Road
Sacramento, CA 95828
(916) 681-3000
E-mail: michelle.picard@siemens.com

Siemens actively encourages DBEs that design, manufacture and/or service components which are generally accepted in the rail transit manufacturing industry to submit their current certification from UCP authorized agency.

Siemens Mobility, Inc, Rolling Stock – Seeking Qualified DBE & Small Business Firms for Supplies & Services

The Siemens Mobility, Inc. Rolling Stock factory in Sacramento, CA is seeking qualified Disadvantaged Business Enterprises (DBEs) and Small Businesses that are able to supply goods and services in the area of railcar manufacturing. This can include but is not limited to: car body assemblies and components, interior and exterior illumination components, windows, windscreens, seats, interior paneling, luggage racks, handrails, flooring, traction electric components, wheel sets, diesel and cooling systems, cabling, high and low voltage electrical cabinets, fire detectors, fire extinguishers, smoke detectors, passenger information system and infotainment, destination signs, HVAC units, door components, brake systems, vehicle control systems, mechanical and electrical connecting parts, hardware, shipping supplies, MRO supplies, logistics, decal and vehicle wrapping, and technical services.

We are interested in meeting potential suppliers to develop relationships and increase the probability of successfully obtaining business opportunities together. We constantly strive to deliver high quality solutions into the hands of our customers. To help achieve our mission, we partner with a broad variety of suppliers, including small and diverse businesses.

Siemens actively encourages DBEs and Small Businesses that design, manufacture, supply and/or service components which are generally accepted in the rail transit manufacturing functions to submit their information together with their current certification.

Please submit your information stating qualifications and areas of expertise by e-mail to our procurement department: strategicpurchasing.us@siemens.com.
